Brief Report

As part of the fruit tree planting, the students carried out an activity called "A Sapling for a Friend" (?????????????? ??),where they gifted a fruit tree to their best friend. All the Bhoomitra Sena members brought a fruit tree to school and handed it over to their beloved friend. There were children who brought more than one hand. They also gave it to children from other classes. Since it was a sapling given by a friend, the students planted it and took great care of it.
