Brief Report

In connection with World Ozone Day, a Creative Booklet Presentation was conducted on 16th September 2025 at Bafakhy Yatheem Khana B.Ed. Training College, Kalpakanchery. The activity aimed at enhancing students' understanding of ozone layer depletion through the preparation of a creative and informative booklet. The participants prepared booklets incorporating scientific explanations, relevant diagrams, science fiction stories, creative writings, and information on global initiatives related to ozone protection. The content reflected both scientific accuracy and imaginative expression, thereby integrating knowledge with creativity. The booklet was formally published by Mr. Sainudheen K.M., Principal of Bafakhy Yatheem Khana B.Ed. Training College. A total of 50 students participated in the booklet publishing programme. The students presented their work confidently before their peers, demonstrating sound subject knowledge, creativity, and effective communication skills.
