Brief Report

A one-day camp was held on January 4th, 2025, at the college, with 40 students participating. The camp featured awareness sessions led by the FIC, Dr. Abdul Gafoor P. During the camp, a tree census was conducted. Participants were divided into four groups, with each group assigned a specific area of the campus for the census. The groups recorded the number of trees in their assigned areas, which will be used to create a tree register for the campus. Additionally, a campus cleaning activity was carried out as part of the event. Refreshments were also provided to the students.
